According to our status we are a non-commercial organization which can provide a number of educational services, trainings for young and adult people. We are trying to attract the attention of talented and active young people in creating and implementing youth projects with special focus on people with less opportunities, minorities to take part in. Our aim is to educate using non formal education methods, develop multicultural communications, cultural understanding and diversity, active citizenship in a civil society. Creation of a new layer of young people ready to work for the welfare of the people of their communities, country and to cooperate in the spirit of tolerance and partnership with other nations.

Aims of the organization:

- ✓ To develop the potential of the youth and adults
- ✓ To create conditions for active involvement of young people both into social, economic, tech and cultural life of the society
- ✓ Popularization of democratic values, active citizenship, civil society
- ✓ To develop the international youth cooperation, to cooperate with foreign youth organizations
- ✓ To educate in digital skills, E-learning courses
- ✓ To support a personal development growth with focus on wellbeing and mental health

Fields we are Active & Experienced in:

- Youth Work
- Training for adults
- Entrepreneurship & Innovation, for youth and adults, special focus on supporting women entrepreneurship skills to start small and medium social enterprises
- Social & Cultural Issues
- Sport Activities (indoor & outdoor) ,
- Mental Health, Wellbeing
- Digital, Media & New Technology
- Modern European Politics & Debating, Media Literacy
- Ecology, Green Skills

Connect 4 has experienced in supporting young people in learning processes and training adults using also wellbeing methods, as mental health is very important issue after corona pandemic we observe many young people and adults struggling a lot, that affects their ability to participate in society and work market. We observe increasing numbers especially among young people who are diagnosed with depression, anxiety, stress, that affects their inner readiness, motivation and learning processes. For adults it affects their ability to work that is one of the problems we as organization and our municipality as well on national and international level try to solve to keep country growth, we need people to be healthy and able willing to work to contribute to society.

On local and regional field, we cooperate with municipality, local schools and communities, other organizations we are organizing workshops to support young people to develop their skills using unformal education methods, help them thrive use their full potential focus energy on learning create save environment where they can talk about feelings and needs express themselves using also art therapy, integration by music and other tools.

Connect 4 is also a community media we are using digital content like videos, podcast interviews and other tools to inform about actual important subjects on a local and global scale. We focus on media literacy.

Connect 4 is organizing also workshops for adults especially for women to support gender equality, their growth, financial literacy, educate to get new skills needed.
